#### **Parks Bank**

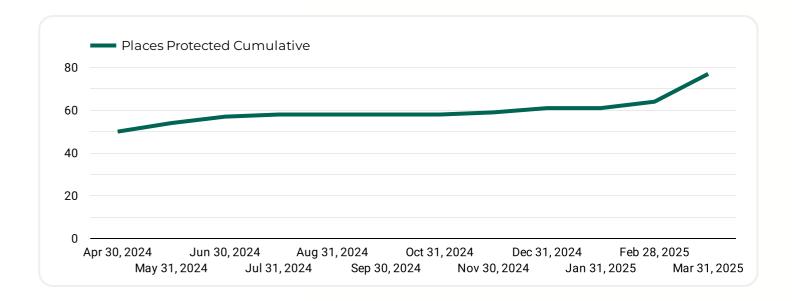

### About Parks Bank →

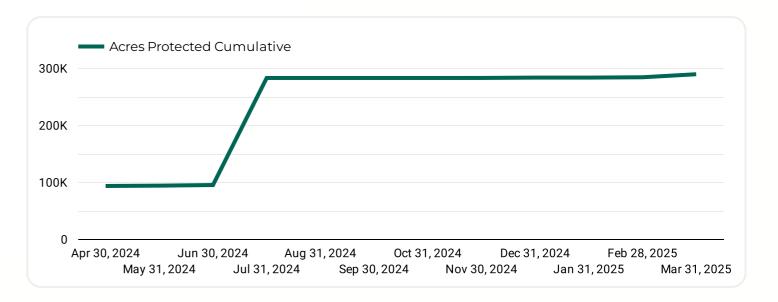

We are tackling biodiversity loss and climate change, boosting health, and keeping BC beautiful by conserving areas.

We empower you to conserve valuable lands through crowdsourcing, and work with community partners to monitor and restore critical ecosystems that support a healthy future for BC.

Places Protected:77 to date17 this quarter

Acres Protected: 289,919 to date 6,206 this quarter

# **Community Science**

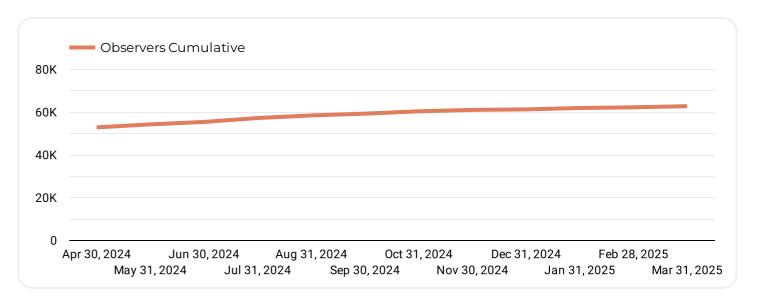

## **About Community Science** →

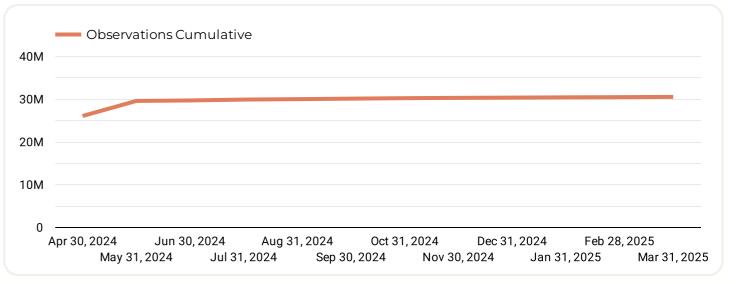

We are empowering British Columbians to better understand the life in BC's Parks and protected areas.

You are gathering data, building knowledge, and informing conservation decisions, ultimately leading to healthier animals, plants, insects and ecosystems.

Observations: 30,554,958 to date 173,675 this quarter

Observers: 62,834 to date 1,495 this quarter

#### **Discover Parks**

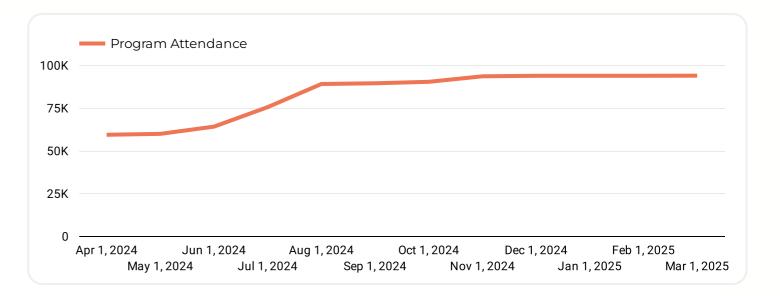

### **About Discover Parks** →

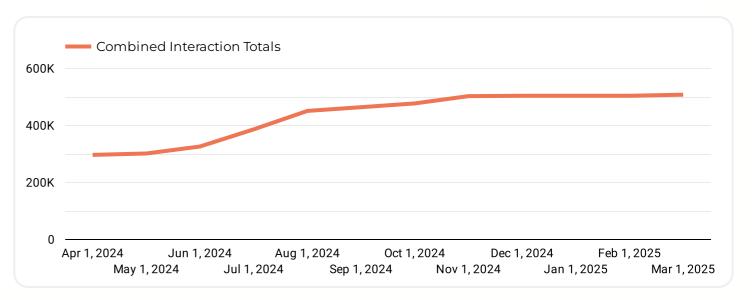

We are inspiring park enjoyment and stewardship.

Through guided and self-guided experiences in BC Parks and on DiscoverParks.ca, you are connecting to the wonders of BC's Parks.

Programs Attendance:94,000 to date68 this quarter

**Combined Interactions: 504,000** to date **3,628** this quarter

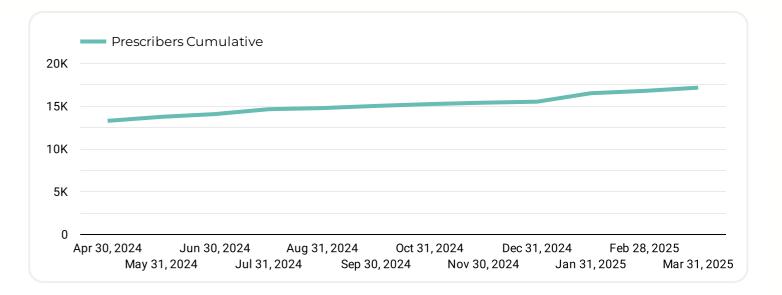

#### About PaRx →

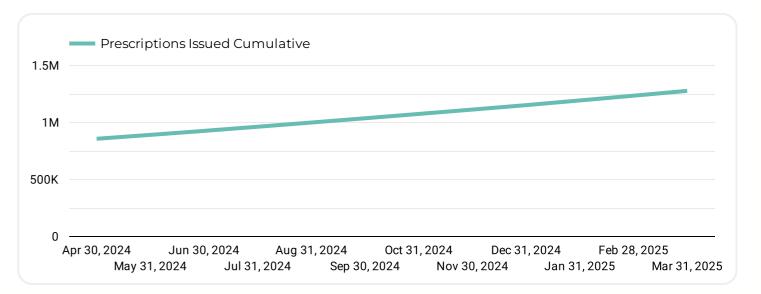

We are making more Canadians healthy by nature through Canada's first nature prescription program, led by healthcare professionals who want to improve their patients' health.

When a healthcare provider registers, they receive resources to help patients integrate nature into their daily lives. Patients get exclusive perks to make getting outside even easier!

Prescribers: 17,175 to date 1,641 this quarter

Prescriptions Issued: 1,277,556 to date 125,251 this quarter

## About Spark →

Spark Grants empower community groups to lead projects and experience parks across the province.

You are helping to protect BC's Parks and to make sure everyone has a chance to experience and care for them.

Hours outside: 94,967 to date 7,795 this quarter

Nature observations: 69,240 to date 663 this quarter
