

# BC Parks iNaturalist Project

## PARKS Bingo

### Kootenay-Rockies Region

**How to play:** Become a citizen scientist by taking photos of plants, animals and other species every time you're in a B.C. provincial park or protected area and upload these observations to the BC Parks iNaturalist Project. Mark off the square when you make that observation. When you get five squares in a row, column or diagonally, you win! The biggest challenge of all: can you get every square?

# P A R K S

Fireweed ( <i>Chamaenerion angustifolium</i> )	Coyote ( <i>Canis latrans</i> )	Painted turtle ( <i>Chrysemys picta</i> )	American marten ( <i>Martes americana</i> )	Rough horsetail ( <i>Equisetum hyemale</i> )
