

BC Parks iNaturalist Project

PARKS Bingo

Lower Mainland Region

How to play: Become a citizen scientist by taking photos of plants, animals and other species every time you're in a B.C. provincial park or protected area and upload these observations to the BC Parks iNaturalist Project. Mark off the square when you make that observation. When you get five squares in a row, column or diagonally, you win! The biggest challenge of all: can you get every square?

P A R K S

Salal (<i>Gaultheria shallon</i>)	Bigleaf maple (<i>Acer macrophyllum</i>)	Great blue heron (<i>Ardea herodias</i>)	Orb crossweaver (<i>Araneus diadematus</i>)	Rough skinned newt (<i>Taricha granulosa</i>)
