

BC Parks iNaturalist Project

PARKS Bingo

Northern Region

How to play: Become a citizen scientist by taking photos of plants, animals and other species every time you're in a B.C. provincial park or protected area and upload these observations to the BC Parks iNaturalist Project. Mark off the square when you make that observation. When you get five squares in a row, column or diagonally, you win! The biggest challenge of all: can you get every square?

P A R K S

Grey reindeer lichen (<i>Cladonia rangiferina</i>)	Squashberry (<i>Viburnum edule</i>)	Goldenrod crab spider (<i>Misumena vatia</i>)	Mountain goat (<i>Oreamnos americanus</i>)	Orange peel fungus (<i>Aleuria aurantia</i>)
