

BC Parks iNaturalist Project

PARKS Bingo

Winter Wonderland

How to play: Become a citizen scientist by taking photos of plants, animals and other species every time you're in a B.C. provincial park or protected area and upload these observations to the BC Parks iNaturalist Project. Mark off the square when you make that observation. When you get five squares in a row, column or diagonally, you win! The biggest challenge of all: can you get every square?

P A R K S

Moose (<i>Alces alces</i>)	European holly (<i>Ilex aquifolium</i>)	North American river otter (<i>Lontra canadensis</i>)	Steller's jay (<i>Cyanocitta stelleri</i>)	Kinnikinnick (<i>Arctostaphylos uva-ursi</i>)
